

Pergola awning Perea P40 WeatherEdition

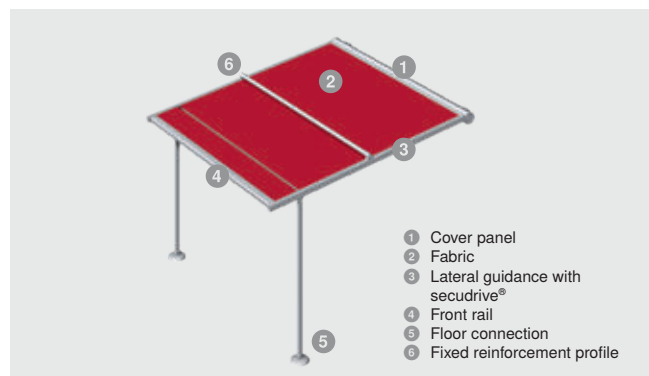

Stylish shade provider - now also with rain protection

Der SonnenLichtManager

The pergola awning Perea P40 is not just available as sun shading, but now also as a rain protection solution. The Perea P40 WeatherEdition offers special protection from rain with its weather-proof fabric quality and an integrated drainage grid. Combine first-class sun shading and rain protection with outstanding design and turn your patio into a real oasis of enjoyment with a Perea pergola awning. A real eye-catcher for your house!
