WEINOR GLASOASE®: A ROOM CONSISTING OF GLASS AND LIGHT

The weinor glass patio roofs, the weinor PergoTex II textile roof and the Artares louvred roof can be expanded to a Glasoase® with w17. This creates a transparent enclosed outdoor space on your patio which radiates freedom and security at the same time – open to the eye, flexible in use and harmonious in architecture.

A wide range of frame colours to suit your architecture and style. More information can be found under: weinor.com/architecture-mood
