Max. dimensions

VarioShade Valance not possible

Installation on walls, ceilings and rafters

**Up to wind scale 5**
according to the Beaufort wind resistance scale

## OVAL AWNINGS: CASSITA II

# BEAUTIFUL SHADE FOR CLEAR SHAPES

The Cassita II is the right choice for everybody who appreciates minimalist design. Its particularly flat design and clear lines allow the awning to almost merge with the facade. Concealed fasteners and only two wall connections accentuate its reduced, elegant character.

### Cassita II – technical details

| Technology | Cassita II |
|---|---|
| Max. width | 5.5 m |
